For the most magical of Tropical North Queensland wedding experiences, celebrate your special day at the Hamilton Island Yacht Club. Stunning architecture combines with unparalleled surrounds to create an ambiance unmatched around Australia.

Celebrating your wedding at Hamilton Island Yacht Club allows you to hold your ceremony and reception a mere stone's throw away from one another. The breathtaking surrounds also offer the most spectacular of wedding photography locations.

The Hamilton Island Yacht Club is Hamilton Island's newest and most exciting wedding reception venue, offering a new level of luxury and sophistication to weddings on Hamilton Island.

Cantilevering over the Hamilton Island Marina and Dent Passage, the Hamilton Island Yacht Club brings a new standard of excellence through its unique spirit and style.

Renowned Australian architect Walter Benda, with a vision for contemporary style and luxury, has created a design masterpiece in the Hamilton Island Yacht Club. A stunning pre-weathered green copper roof with a distinctively organic shape is the signature design feature of the club itself and encases three levels of world-class recreation and business facilities.

The Hamilton Island Yacht Club features a contemporary restaurant and bar overlooking the marina and Dent Passage, an all-day outdoor bar with equally breathtaking views, a private dining room, conference and banquet rooms incorporating a purpose-built auditorium, and an inspiring central atrium.
